

**EPIA 2017**  
18th EPIA Conference on Artificial Intelligence

Porto, 5th-8th September 2017

**SPONSORSHIP  
OPPORTUNITIES**

## EPIA 2017 SPONSORSHIP OPPORTUNITIES

EPIA is a well-established international conference on Artificial Intelligence (AI), with a strong international character, supported by the Portuguese Association for Artificial Intelligence (APPIA). The purpose of the conference is to promote research in AI and scientific exchange among AI researchers, practitioners, scientists, and engineers in related disciplines.

EPIA conferences have been organized since 1989. The 18th edition, **EPIA 2017**, will take place at the Faculty of Engineering of the University of Porto in **September 5th-8th, 2017**.

The scientific program will be composed of a group of thematic tracks that discuss different Artificial Intelligence issues, their practical applications and impact on society. Accepted papers will be published in a Lecture Notes in Artificial Intelligence volume, published by Springer. Plenary sessions with invited lectures given by leading scientists and industrial people will also take place. The conference will also accommodate poster sessions and AI competitions as informal discussion forums.

**EPIA 2017 provides a forum where sponsors will enjoy a great amount of visibility** within the artificial intelligence community. The conference web site, continuously updated at [www.fe.up.pt/epia2017](http://www.fe.up.pt/epia2017), is the reference point of this broad community: we expect several thousands of web visitors until the end of September 2017. Other promotion initiatives are already taking place, nationwide and internationally, through other international web portals, mailing lists, posters and posting on social media. Moreover, the event will have a wide media coverage, namely on TV, radio and printed press.

We are bringing to your kind attention the **opportunity of becoming one of the distinguished EPIA 2017 sponsors**. We provide various sponsor levels, as well as many custom opportunities for sponsoring various elements of the conference (namely by providing goods or services) based on your needs, objectives and available budget. We are looking forward to discuss opportunities further with you and welcome you as an EPIA 2017 sponsor.
