

MBUILD EDITION 2 2023/2024 APPLICATIONS

SUBJECT **FINAL SELECTION LIST**

DATE 2023/03/20

1. SELECTION RESULT – AWARDED PLACES

As defined in the Assessment Procedures, the applications in the First List of Applicants were assessed further according to Criteria 2+3, resulting in the Full Ranking of Applications that is presented below in item 2.

For Scholarship places, and as defined by the E+ office, the limitation of the number of scholarships awarded for applications from any country was taken into account.

1.1. AWARDED SCHOLARSHIP PLACES (15)

The top-15 applicants were contacted directly by email, asking if they would accept the place with Scholarship that their ranking entitled them to. Of these, one applicant declined the place which was, then, offered to the 16th ranked, that accepted the place.

Therefore, the **Final List of Awarded Scholarship Places** (SCH1 to SCH15) is as follows:

1.2. AWARDED SELF-FUNDED PLACES (10 - PROVISIONAL)

After the award of the Scholarship Places, the applicants that have indicated in the application form that a Self-Funded place was a possibility for them, were also contacted directly by email, asking if they would accept the place under that status. Some of them confirmed the acceptance of the place, while others declined.

Consequently, the Selection Committee is following down in the Final Ranking, offering the still available places to other applicants. As of today, the applications listed below have accepted the place, with still 4 places available and waiting for response of the contacted applicants. When all self-funded places are accepted, a final updated list will be published.

Therefore, **the Provisional List of Self-Funded Places** (SF16 to SF25) is as follows:
