## **2. APPLICATIONS RANKED BY ORDER OF THE ASSESSMENT IN 1. ACADEMIC BACKGROUND**

---

As referred in the [www.mbuild.eu](http://www.mbuild.eu) website Apply > General Assessment Criteria for Applications and Rules and > Selection Criteria, all applications were analysed according to the criteria **1. Academic Background**.

The ranked list of applications after this STAGE 1 is below, with the corresponding performance level that was attained in criteria 1.

Also as referred on the website, a FIRST LIST OF APPLICANTS will go through the next assessments of **2. Professional and Research Experience** and **3. Other Merits**, which will include an online interview for the selected candidates.

This year, the Executive Committee decided to establish this First List with the **top-48 ranked applications and the top-52 ranked applications who have expressed their interest to apply for a self-funded position**. Candidates who are included in both lists will be considered for a scholarship first, and then for a self-funded position if they are not selected for a scholarship.

If your application is included, please be attentive to your mailbox.

The establishment of the **Final Selection List** is expected to happen during March/2024.
