

MBUILD EDITION 3 2024/2025 APPLICATIONS

SUBJECT **FINAL SELECTION LIST**

DATE 2024/04/01 – update 2024/04/02

1. SELECTION RESULT – AWARDED PLACES

As defined in the Assessment Procedures, the applications in the First List of Applicants were assessed further according to Criteria 2+3, resulting in the Full Ranking of Applications that is presented below in item 2.

For Scholarship places, and as defined by the E+ office, the limitation of the number of scholarships awarded for applications from any country was taken into account.

1.1. AWARDED SCHOLARSHIP PLACES (15)

The top-15 applicants were contacted directly by email, asking if they would accept the place with Scholarship that their ranking entitled them to. They all answered positively.

Therefore, the **Final List of Awarded Scholarship Places** (SCH1 to SCH15) is as follows:

MBUILD Ed 3 2024/2025 SCHOLARSHIPS = 15		
FINAL 2024/04/01		
# Rank	Application code	
1	MB24MF1444	SCH1
2	MB24MF1344	SCH2
3	MB24MF1948	SCH3
4	MB24MF1915	SCH4
5	MB24MF1635	SCH5
6	MB24MF1210	SCH6
7	MB24MF1702	SCH7
8	MB24MF1348	SCH8
9	MB24MF1766	SCH9
10	MB24MF1776	SCH10

13	MB23MF1101	SCH13
14	MB24MF1803	SCH14
15	MB24MF1781	SCH15

1.2. AWARDED SELF-FUNDED PLACES (12)

After the award of the Scholarship Places, **the applicants that have indicated in the application form that a Self-Funded place was a possibility for them**, were also contacted directly by email, asking if they would accept the place under that status. Some of them confirmed the acceptance of the place, while others declined.

*Note: One applicant responded only later on the day of 01/04/2024, with proof of having been in hospital due to a health issue, which prevented the answer within the deadline. The Selection Committee accepted the justification and, as the Final Selection List had already been published, **decided to add an extra Self-Funded place to the original 11 places, to a total of 12.** This complies to the maximum allowable places permitted by the accreditation ($30 > 15 + 12 = 27$).*

Consequently, when an applicant declined the place, the Selection Committee went down in the Final Ranking, **in ranking order**, offering the still available places to other applicants that had indicated the possibility of accepting a self-funded status.

Today, the applications listed below have accepted the place, which fulfils the 12 available places under a Self-funded status.

To be perfectly clear, the fact that the ranking order is not sequential derives from the fact that:
(i) the higher placed applicants had indicated they were not interested in a self-funded place, or
(ii) the higher placed applicants declined the offer of a self-funded place.

Therefore, **the List of Self-Funded Places** (SF16 to SF27) is as follows:

MBUILD Ed 3 2024/2025 SELF-FUNDED = 12

2. FINAL SELECTION LIST – FULL FINAL RANKING AFTER ASSESSMENT OF CRITERIA 1+2+3

Note: The list indicates 91 applications; some of the applicants below #63 were not interviewed, as their partial grades so far were not sufficient enough to change their relative place, even with full grades in the interview.
